

CCHS INSTRUMENTAL MUSIC

2016-2017

Please check emails, website and the Instrumental Google Calendar for updates. www.cchsbands.com

The Main Concert Dates listed below are all required and are a culmination of the work we do in class. Having an unexcused absence for a concert, no matter how many concerts we have that quarter, will result in a grade no higher than a C. There are no excuses that are acceptable other than extreme family circumstances or illness. Please see below for a more detailed list of events for the year.
